
Session 3

CIVICS QUIZZING GAME

Playing the Civics game is a great way to learn while having fun.

1. On a post-it note, write down the name of historical or political figure, law/policy or other civics-related topics
2. Have each student pick a post-it without looking at it and place it on their forehead
3. Have all of the students stand in a circle
4. The first student will begin the game by asking each student one yes/no question to help them guess the figure/policy/topic on their forehead until they are able to guess it
5. Each student will repeat this process until every student has gone
6. The student who guessed their figure with the least number of questions wins
